

### **T1 PRODUCER'S CARD:**

Any producer entering the Market with the purpose of selling must have a so-called T1 producer's card. Producers without this card can sell their goods only on one occasion (with a temporary card) at the Market. In order to apply for the card, an application form must be filled out with all the required documents (primary agricultural producer or entrepreneur certificate, certificate of incorporation for companies, tac code of the company and the copy of the NFC SO (NÉBIH) registration number attached to it.
